KNOW THIS MAN?

It's Mitch Williams, who successfully defended his title two weeks ago and is once more the **Comboyne Men's Bowling Club Singles Champion**. Well done, Mitch. But life on Comboyne hasn't always been smooth sailing for Mitch. One week day some time ago, a volunteer stepped outside the Community Centre, and heard her name called out repeatedly. She looked over to the shop— no one there; looked at the Produce Store— no one there; looked down to the Udder Cow— no one there. By this time, the caller was becoming rather irate and the calling grew louder. At last the volunteer looked straight across the road and there was our electrician, behind the cage surrounding the stumps at the store. Govind had asked Mitch to do some work for him, forgotten he was there and locked the access door to great outside! So Mitch was trapped. The volunteer, being a woman of great empathy, collapsed laughing before promising to let Govind know he needed to open the door. But once back in the Community Centre, that devious volunteer grabbed someone with a mobile phone to come out and take a photo of Mitch. This took some time as the photographer also collapsed laughing before being able to line up the shot. Only then was Govind informed. Note the happy expression on Mitch's face. (Always told you I'd share this, didn't I Mitch?)

DEFIBRILLATOR COURSE

POSTPONED:

Friday obviously wasn't a good day for everyone, so the Defibrillator Course has been postponed and will now take place on **Sunday, 12th. August at 4.00pm.**, at the Community Centre. There is no charge for this course, so it's a great opportunity to learn how to use one. Refreshments will be provided. There will be 2 defibrillators in town, so we'll be well covered. Hopefully the change of date will bring in more people prepared to learn how to use the defibrillator Phone **6550 4289** to book your place.

WARM WINTER GEAR

Community @ 3, from Laurieton, have donated a selection of warm gear, men's jackets, scarves, gloves & beanies, all cleaned, to anyone who would like to take them. There is no charge for these items, just call into the Community Centre, which is open seven days a week, from 10.00am. to 3.00pm. to see if there is anything that you like. Don't be shy, come in and go through it all.

Vision 2030 Hastings Valley

Shortly you will receive in the mail a survey seeking your input about major projects you might like to see completed or underway in our region over the coming decade.

I want to hear about your vision, so I can work with my colleagues at the Local and State Government level to plan and deliver the things our community would like to see in the Hastings Valley and Camden Haven for the future.

The survey can also be completed by visiting my website at
